538.7001 Definitions.

Ordering activity (also called “ordering agency” and “ordering office”) means an eligible ordering activity (see 552.238-78) authorized to place orders under Federal supply schedule contracts.

Schedule 70, as used in this subpart, means Schedule 70 information technology contracts, and Consolidated Products and Services Schedule contracts containing information technology SINs. The Consolidated Products and Services Schedule is a compilation of multiple individual Federal Supply Schedules; therefore, only the SINs that fall under Schedule 70 of the Consolidated Products and Services Schedule will apply to Cooperative Purchasing. No other Schedules, or SINs, containing information technology outside of Schedule 70 SINs, and Consolidated Products and Services Schedule contracts containing Schedule 70 SINs, will apply.

Schedule 84 means the Federal Supply Schedule for alarm and signal systems, facility management systems, fire-fighting and rescue equipment, law enforcement and security equipment, marine craft and related equipment, special purpose clothing, and related services (as contained in Federal Supply Classification Code Group 84 or any amended or subsequent version of that Federal supply classification group).

State and local government entities, as used in this subpart, means the states of the United States, counties, municipalities, cities, towns, townships, tribal governments, public authorities (including public or Indian housing agencies under the United States Housing Act of 1937), school districts, colleges

and other institutions of higher education, council of governments (incorporated or not), regional or interstate government entities, or any agency or instrumentality of the preceding entities (including any local educational agency or institution of higher education), and including legislative and judicial departments. The term does not include contractors of, or grantees of, State or local governments.

(1) *Local educational agency* has the meaning given that term in section 8013 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7713).
